Dear Patrick,

Many thanks for your letter which came yesterday.

I also want to write you a little about myself and my future plans.

First of all, I want to pass the exams after high school and study information technology, which is my favourite subject at school. As for my dreams, I would love to visit Ireland. I know this country is fashionable at present. But I have dreamed of going to Ireland since I was a boy, fascinated with its culture and history. I hope my dream comes true one day.

Best regards,

Ann

Dear Alice,

Thanks for your letter!

I have some good news too. In July I went to a summer camp. It was fantastic. I made a lot of new friends. Every day we went swimming in the river, and we played different games. There was a disco every night. Once we went hiking in the forest for two days. We cooked our meals on the fire and at night we sat around the fire, sang songs and told stories.

Please tell me more about your new house.

Write soon.

Love,

Tanya
