

70b Match the boxes together and in your notebook, write ten sentences in the first conditional.

she won't get a place at university

you cook the dinner

you go to bed early

I won't have any money

I won't forget the date

she fails her exam

I'll give her your message

I'll do the washing up

I write it in my diary

I'm sure he'll understand

it rains

the weather's nice

you tell him the problem

you'll feel better in the morning

I'll meet you at the station

I lose my job

Examples: If it rains, we'll stay at home.
I'll meet you at the station if you come by train.

70a Complete these sentences, putting the verbs into the correct tense.

- If I find your book, I ll give it to you. (find/give)
- She ll phone us if she has any problems. (phone/have)
- If you come to the party, I ll be with you. (go/come)
- She ll be very happy if she finds that new job. (not be/not get)
- If you come with us, you ll have a great time. (come/have)
- I ll wait for you if you are late. (not wait/be)
- That glass ll break if you drop it. (break/drop)
- We ll help you if we have the time. (help/have)
- I ll tell Clare the news if I see her. (tell/see)
- We ll sleep in the tent if it rains. (sleep/not rain)

2 Complete the sentences. Use subject pronouns, 'll and a phrase from the box.

Ryan  Now  In ten years' time	Martin  Now  In ten years' time	Tommy  Now  In ten years' time
Beth  Now  In ten years' time	Maddy  Now  In ten years' time	Julia  Now  In ten years' time

like reading books live in a big house wear a suit be an actor go to university make bracelets
